Dear Isabel

This is a time of year when ones  
mind wanders over all their friends. This I am  
afraid is to late for Christmas. I trust you will  
all have a nice time with your near & dear ones.  
I hope your children are always getting on.  
You will be kept busy. Is your own Mother long?  
It makes such a difference when you have a  
mother to go to you have your own home  
and many loved ones to look after.

This summer and harvest has been very out-  
in our country. It has been a hard time on  
farmers. The crop cut- and could not get it  
seeded. In many places they cant use it.  
Most of our family have been North for these  
holidays. Some time in June to end of Oct- we are  
not often without someone. Is Cousin  
Jim Simpson near you. Please remember me  
kindly to him. He will give you an idea  
about all our homes. We were very glad  
to see him in our homes. It was nice to meet  
him that was one thing the Great War had done.

My sister (Elizabeth we call her Bessie) Mrs M Lean is  
with me just now. Her hubby is away at sea.  
Her little gal is in school here. We had a lot of fruit.  
This summer in our garden. Gooseberries were very  
plentiful. Black Currants & Rasp. We did not have  
very many Apples or pears this season. Some years  
they are very plentiful nothing to what you will  
have. What a difference between the two countries.  
I was looking at a map we have of Australia  
but I could not find Huang. We had a few  
showers <sup>of snow</sup> on Monday it is all gone today.

It was frosty at night. This two months are  
our dullest months of the year. It is dark at  
5 P.M. and not bright till 8 A.M. Give my love  
to your Aunt Flora and all my cousins. Tell  
them I would be glad to see them in my  
home in Glentworth. I hope you are all keeping  
well. Love to each and all. Wishing you all  
a Happy & prosperous New Year. In your spare  
time I should like very much to hear from you.  
All friends are well. It is near supper time.  
Would you like to come and have a share.  
Ja Ja.

Your loving Cousin  
Meggie
